

HISTORIC AMBIENCE. TIMELESS ELEGANCE. MODERN COMFORT.

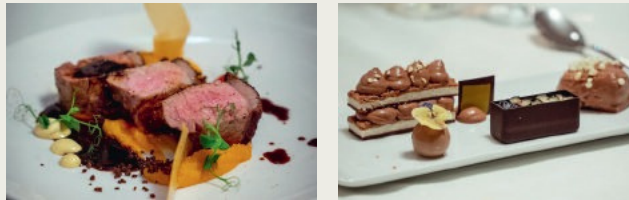

Here is a place that carries the aura of an entire century. Whose walls bear witness to special events. A place where Charles de Gaulle and Konrad Adenauer, Françoise Mitterrand and Helmut Kohl opened up new spaces in history. A place where staying overnight means breathing a sigh of relief, where arriving becomes residing and where looking at things makes you to be amazed. A place that welcomes people with warmth and gives them the opportunity to relax, recuperate and be inspired.

Welcome to this special place.
Welcome to the Parkhotel Kurhaus.

"Crucenia Thermen" Thermal baths

The modern thermal baths offer health and fun for all ages. The three indoor and outdoor pools have a water temperature of 33 degrees Celsius and contain salts and 21 minerals.

Here you can revitalize your body. The ionized air and water have anti-inflammatory and antioxidant characteristics and are a natural therapy that stimulates blood circulation, the immune system and improves health.
